per Erhard. Reuwick impreſſum in Civitate Maguntina, 1486

This is ſuppoſed to be the firſt Book of Travels that was ever printed; it is replete with entertaining Incidents, and written with great exactneſs, in the Form of a Journal of a Pilgrimage from Mentz by way of Venice and the Levant to Jeruſalem, Mount Sinai, and Egypt, undertaken in 1483, by Count Solms, B. de Breidenback, Dean of Mentz, (the Author) and Ph. de Bicken, Gent.——The following Extracts are given as a Specimen of the Style:

—— " Die 8 Julii, 1483, omnibus nobis Peregrinis aſini fuerunt
" adducti, quibus inſidentes de Joppa uſque in Rama propera-
" vimus, ubi de aſinis deſcendere et pedites ire cogebamur,
" ſingulique res ſuas in humeris portare, quod idcirco non
" parum nobis fuit moleſtum, quod Calor fuit intenſus, et pulvis
" hincinde agitabatur, nullum ibi Chriſtianum ſinunt Pagani
" introire in aſino vel Equo."——

—— " Tandem die 1 Octobris, venimus de deviis Deſerti ad
" regiam et tritam viam qua a Gazera directé tranſitur in Chay-
" rum, eſt autem via illa bipertita, cujus pars una tendit de
" Chayro in Gazeram, alia in portum maris rubri Thor, in quem
" ex India 16 dierum intervallo aromaticæ ſpecies advehuntur
" in navibus, quæ non clavis aut aliis ferramentis ſunt com-
" pactæ, ſed funibus quibuſdam et ligneis tenaculis conglutti-
" natæ, et id hac ratione, Naves enim ex India in præfatum
" Portum tranſeuntes circa montes et ſtopulos magnetis neceſſe
" habent ire, unde ſi ferrum in ipſis eſſet navibus, mox magnes
" eas attraheret et collideret penitus."——" Die 3 Oct. ambu-
" lantes juxta littus maris rubri, in eum locum venimus ubi
" Moyſes filios Iſrael traduxit ſicco pede per mare, ibi depoſitis
" veſtibus balneavimus, et more patrum baptiſabamur in mari;
" in ipſo littore conſedentes in jocunditate comedimus et bibi-
" mus quæ habebamus."

—— " Die 18 Oct. ſumpto prandio vicos introivimus merca-
" torum, ubi tantam vidimus hominum multitudinem, tantaque
" erat preſſura ſicut eſſe ſolet Romæ in anno jubileo, neque
" arbitror tam grandem, tam perdivitem atque præpotentem
" hodie ſub coelo eſſe civitatem ſicut Cairum Babilonica; in
" forum venimus ubi homines ſicut beſtiæ vendebantur, et com-
" patiebatur anima noſtra parvulis ibi ſedentibus qui ſuam ven-
" ditionem expectabant, cumque Mammalucus qui ductor noſter
" erat, hincinde nos circumduceret, venit mercator quidam in-
" quirens ab eo quanti pretii ſclavi illi eſſent quos ſic circum-
" ducebat, ad quod Mammalucus ipſe ſubridens, parvi inquit
" ſunt pretii homines iſti in foro iſto, cito autem ad aliud ducen-
" tur forum ubi incomparabiles erunt; neque tamen ad hæc
" verba emptor ille deſiit, ſed pro perſona qualibet decem ob-
" tulit ducatos Mammaluco, donec tandem comperit eos non
" eſſe venales."
